

SAIDC Annual Report 2013

In 2013, SAIDC continued in strengthening effective management mechanisms, improving operations and communicating with partners and the public. The main activities of the organization were carried out under the Contract (Contract between the MFEA and the SAIDC for 2013) and in compliance with the approved National Programme of the ODA for 2013.

Detailed information about SAIDC contracting, budget spending and overall performance of the agency in 2013 can be found in the Annual report below:
